

# CONTINUING AND PROFESSIONAL EDUCATION

---

Gordon State College is dedicated to serving the community and industry needs of the middle Georgia area. Like other University System of Georgia institutions, Gordon State seeks to provide service beyond the academic offerings through continuing education and community outreach opportunities. High quality, affordable, and accessible learning experiences are provided through the Office of Continuing and Professional Education. These activities endeavor to enrich and improve the quality of life for area residents and our Gordon constituents.

Continuing and Professional Education staff is eager to discuss ways the resources of Gordon State College can be utilized to meet the needs of community groups, cultural organizations, businesses, industries, and individuals.
