

HEALTH INFORMATION MANAGEMENT (MINOR)

Students use minors to complement their major or explore a different discipline. Students who decide to get minors in college often are a step ahead when they graduate as they have gained valuable experiences in an area outside of their major. A minor must contain 15 to 18 semester hours of coursework with at least 9 hours of upper-division coursework. Courses taken to satisfy Core IMPACTS area may not be counted as coursework in the minor. Field of Study courses may be counted as coursework in the minor.
