

INFORMATION TECHNOLOGY (AS)

The Associate of Science Degree at Gordon State College in Information Technology provides students with the information needed to understand the development, maintenance, and use of computer systems, software, and networks for the processing and distribution of data. This degree program prepares students to solve basic information technology problems and identify current and emerging tools to help organizations. Students will acquire the technical skills to qualify for a variety of entry-level IT roles.

Code	Title	Hours
Required Courses		
BUSA 2101	Intro to Business Info Sys	3
CSCI 1101	Introduction to Computers & Computer Programming	3
CSCI 1301	Computer Science I	3
ITEC 2215	Intro to Information Techn	3
Select two of the following:		6
CSCI 1302	Computer Science II	
CSCI 2201	C++ Programming	
ITEC 2220	Web Design & Development
