

ORGANIZATIONAL LEADERSHIP (BS)

Organizational Leadership focuses on leadership skills that can be applied to a business, government, nonprofit, or educational setting. Includes instruction in organizational planning, dynamics of leadership, finance, team building, conflict resolution and mediation, communication and other management skills. The Organizational Leadership, offered in collaboration with eMajor degree through eMajor includes two unique concentrations: Healthcare Administration and Public Service. eMajor is a University System of Georgia collaborative program that delivers flexible, online degree programs through USG affiliate institutions (<https://emajor.usg.edu/>). The goal of eMajor is to provide high quality online degrees that are designed to expand career options through development of critical thinking and leadership skills.

Curriculum

All concentrations require 42 to 46 semester hours in IMPACTS Area and Upper Level electives and 18 credit hours in Lower Level electives of the IMPACTS Curriculum.
